

have passed since the filing of the administrative complaint, or that was the basis of a civil action decided by a United States District Court in which the complainant was a party;

(4) Where the complainant has raised the matter in a negotiated grievance procedure that permits allegations of discrimination or in an appeal to the Merit Systems Protection Board and §1614.301 or §1614.302 indicates that the complainant has elected to pursue the non-EEO process;

(5) That is moot or alleges that a proposal to take a personnel action, or other preliminary step to taking a personnel action, is discriminatory;

(6) Where the complainant cannot be located, provided that reasonable efforts have been made to locate the complainant and the complainant has not responded within 15 days to a notice of proposed dismissal sent to his or her last known address;

(7) Where the agency has provided the complainant with a written request to provide relevant information or otherwise proceed with the complaint, and the complainant has failed to respond to the request within 15 days of its receipt or the complainant's response does not address the agency's request, provided that the request included a notice of the proposed dismissal. Instead of dismissing for failure to cooperate, the complaint may be adjudicated if sufficient information for that purpose is available;

(8) That alleges dissatisfaction with the processing of a previously filed complaint; or

(9) Where the agency, strictly applying the criteria set forth in Commission decisions, finds that the complaint is part of a clear pattern of misuse of the EEO process for a purpose other than the prevention and elimination of employment discrimination. A clear pattern of misuse of the EEO process requires:

(i) Evidence of multiple complaint filings; and

(ii) Allegations that are similar or identical, lack specificity or involve matters previously resolved; or

(iii) Evidence of circumventing other administrative processes, retaliating against the agency's in-house adminis-

trative processes or overburdening the EEO complaint system.

(b) Where the agency believes that some but not all of the claims in a complaint should be dismissed for the reasons contained in paragraphs (a)(1) through (9) of this section, the agency shall notify the complainant in writing of its determination, the rationale for that determination and that those claims will not be investigated, and shall place a copy of the notice in the investigative file. A determination under this paragraph is reviewable by an administrative judge if a hearing is requested on the remainder of the complaint, but is not appealable until final action is taken on the remainder of the complaint.

**§ 1614.108 Investigation of complaints.**

(a) The investigation of complaints shall be conducted by the agency against which the complaint has been filed.

(b) In accordance with instructions contained in Commission Management Directives, the agency shall develop an impartial and appropriate factual record upon which to make findings on the claims raised by the written complaint. An appropriate factual record is one that allows a reasonable fact finder to draw conclusions as to whether discrimination occurred. Agencies may use an exchange of letters or memoranda, interrogatories, investigations, fact-finding conferences or any other fact-finding methods that efficiently and thoroughly address the matters at issue. Agencies are encouraged to incorporate alternative dispute resolution techniques into their investigative efforts in order to promote early resolution of complaints.

(c) The procedures in paragraphs (c) (1) through (3) of this section apply to the investigation of complaints:

(1) The complainant, the agency, and any employee of a Federal agency shall produce such documentary and testimonial evidence as the investigator deems necessary.

(2) Investigators are authorized to administer oaths. Statements of witnesses shall be made under oath or affirmation or, alternatively, by written statement under penalty of perjury.

(3) When the complainant, or the agency against which a complaint is filed, or its employees fail without good cause shown to respond fully and in timely fashion to requests for documents, records, comparative data, statistics, affidavits, or the attendance of witness(es), the investigator may note in the investigative record that the decisionmaker should, or the Commission on appeal may, in appropriate circumstances:

(i) Draw an adverse inference that the requested information, or the testimony of the requested witness, would have reflected unfavorably on the party refusing to provide the requested information;

(ii) Consider the matters to which the requested information or testimony pertains to be established in favor of the opposing party;

(iii) Exclude other evidence offered by the party failing to produce the requested information or witness;

(iv) Issue a decision fully or partially in favor of the opposing party; or

(v) Take such other actions as it deems appropriate.

(d) Any investigation will be conducted by investigators with appropriate security clearances. The Commission will, upon request, supply the agency with the name of an investigator with appropriate security clearances.

(e) The agency shall complete its investigation within 180 days of the date of filing of an individual complaint or within the time period contained in an order from the Office of Federal Operations on an appeal from a dismissal pursuant to § 1614.107. By written agreement within those time periods, the complainant and the respondent agency may voluntarily extend the time period for not more than an additional 90 days. The agency may unilaterally extend the time period or any period of extension for not more than 30 days where it must sanitize a complaint file that may contain information classified pursuant to Exec. Order No. 12356, or successor orders, as secret in the in-

terest of national defense or foreign policy, provided the investigating agency notifies the parties of the extension.

(f) Within 180 days from the filing of the complaint, or where a complaint was amended, within the earlier of 180 days after the last amendment to the complaint or 360 days after the filing of the original complaint, within the time period contained in an order from the Office of Federal Operations on an appeal from a dismissal, or within any period of extension provided for in paragraph (e) of this section, the agency shall provide the complainant with a copy of the investigative file, and shall notify the complainant that, within 30 days of receipt of the investigative file, the complainant has the right to request a hearing and decision from an administrative judge or may request an immediate final decision pursuant to § 1614.110 from the agency with which the complaint was filed.

(g) Where the complainant has received the notice required in paragraph (f) of this section or at any time after 180 days have elapsed from the filing of the complaint, the complainant may request a hearing by submitting a written request for a hearing directly to the EEOC office indicated in the agency's acknowledgment letter. The complainant shall send a copy of the request for a hearing to the agency EEO office. Within 15 days of receipt of the request for a hearing, the agency shall provide a copy of the complaint file to EEOC and, if not previously provided, to the complainant.

#### § 1614.109 Hearings.

(a) When a complainant requests a hearing, the Commission shall appoint an administrative judge to conduct a hearing in accordance with this section. Upon appointment, the administrative judge shall assume full responsibility for the adjudication of the complaint, including overseeing the development of the record. Any hearing will be conducted by an administrative judge or hearing examiner with appropriate security clearances.

(b) *Dismissals.* Administrative judges may dismiss complaints pursuant to
